February 2009

100th Day of School

We would like to encourage students to **bring collections of 100 objects to school** on Friday, February 6th for our 100th Day Celebration. A few examples might be: 100 pennies, cotton balls, toothpicks, Cheerios, etc... We will be using these collections in math that day. Students may begin bringing their collections on Thursday, February 5th. If there should be a snow day between now and February 6th, please note that our 100th Day Celebration will be delayed accordingly.

Refinished Gym Floor

Please be certain to have your child wear non-marking tennis shoes on P.E. days. The floor in the gym has been refinished and needs to be protected. If your child is wearing boots, please have them bring his/her tennis shoes to change into.

Boots for Snowy Days

If the temperature and conditions allow us to go outside, recess will be out on the playground. Only the children who have boots to change into will be allowed to play in the snow.

Positive Decision Making

When positive decisions are made no one is harmed. The first graders have been learning about making decisions when we have choices and how we can rely on trusted adults to guide us. Give your child opportunities to make decisions from the positive choices that you offer. For example, ask your first grader if they would rather have oatmeal or toast for breakfast. You could even throw in a silly option like a plate just to keep them on their toes.

**Please Continue to Practice
Basic Addition and Subtraction
Facts with Your Child.**

Please Send Tissues

Some of the classes are running short on tissues. If your family would like to send a box or two to school with your child it would be greatly appreciated. This is an optional donation.
