

Team 4 April Newsletter

Reading:

The fourth grade students have recently finished testing for theme 5. We have started theme 6 - **Heroes**. Three heroes that we will be discussing and reading about include Martin Luther King Jr., Gloria Estefan, and Lou Gehrig. Some suggestions for independent reading books that would fit in with this theme include: Fair Ball! By Jonah Winter, The Babe and I by David A. Adler, My Heroes My People by Morgan Monceaux, Heroes by Ken Mochizuki, and Through My Eyes by Ruby Bridges.

Writing:

The 4th graders have worked very hard on Persuasive Essays and are now finishing up their State Research Paper. These papers are challenging, but everyone has been working very hard. To go along with our theme 6 - Heroes, the students will be researching a famous person (that they are assigned). They will be writing a biography of this person, and present the information in our 4th grade Living Wax Museum. More information about this project will be sent home soon.

Math:

Please continue to work on basic facts (addition, subtraction, multiplication, and division) at home. These facts are vital to their understanding of many of the upcoming math objectives that we will be learning.

Upcoming Events:

Living Wax Museum - information will be coming home in the Wednesday folders soon!

Teacher e-mail Addresses

For your convenience, we are including our e-mail addresses to assist you in home-school communication. Please feel free to contact us whenever you feel the need!
