

Team 5 March News

Conferences

Parent/Teacher conferences are coming up the 12th and 16th of March. A note will be coming home in the upcoming week from your child's reading teacher with your scheduled time. We look forward to visiting with you about your child's progress over this semester.

Genre of the Month

The genre for this month is Mystery. This is always a favorite among the fifth graders! Some suggested titles and authors are listed on the back of the newsletter. A reminder that students should be reading at least 450 minutes a month at home for their personal reading goals.

Spring Break/PLC

Students will be off the week of March 23-27 for Spring Break and the next early release date for PLC will be March 17th.

Earth Wellness

The students will be attending the Earth Wellness Festival at Southeast Community College on March 30th. Students will be learning about ways to protect and appreciate the environment. There are many hands on activities that make this a great learning experience for them.

Science Fair

The Fredstrom Science Fair is scheduled for March 3rd from 6:30-8:00. We are anxious to see what creative experiments the students have come up with! The district science fair will be March 30th from 3:30-6:00.

Thank you so much for your continued support and we look forward to seeing you all at conferences.
